)	

THIS MATTER is before the Court on the Defendants' Motions to Dismiss (Doc. Nos. 27, 30, 50) and the Magistrate Judge's Memorandum and Recommendation ("M&R") (Doc. No. 58). The parties have not filed objections to the M&R, and the time for doing so has expired. Fed. R. Civ. P. 72(b)(2).

I. BACKGROUND

Neither party has objected to the Magistrate Judge's statement of the factual and procedural background of this case. Therefore, the Court adopts the facts as set forth in the M&R.

II. STANDARD OF REVIEW

A district court may assign dispositive pretrial matters, including motions to dismiss, to a magistrate judge for "proposed findings of fact and recommendations." 28 U.S.C. § 636(b)(1)(A) & (B). The Federal Magistrate Act provides that a district court "shall make a de novo determination of those portions of the report or specified proposed findings or recommendations to which objection is made." *Id.* § 636(b)(1)(C); Fed. R. Civ. P. 72(b)(3). However, "when objections to strictly legal issues are raised and no factual issues are challenged,

de novo review of the record may be dispensed with.” *Orpiano v. Johnson*, 687 F.2d 44, 47 (4th Cir. 1982). De novo review is also not required “when a party makes general and conclusory objections that do not direct the court to a specific error in the magistrate’s proposed findings and recommendations.” *Id.* Similarly, when no objection is filed, “a district court need not conduct a de novo review, but instead must ‘only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.’” *Diamond v. Colonial Life & Acc. Ins. Co.*, 416 F.3d 310, 315 (4th Cir. 2005) (quoting Fed. R. Civ. P. 72, advisory committee note).

III. DISCUSSION

Under Rule 72(b) of the Federal Rules of Civil Procedure, a district court judge shall make a de novo determination of any portion of an M&R to which specific written objection has been made. A party’s failure to make a timely objection is accepted as an agreement with the conclusions of the Magistrate Judge. *See Thomas v. Arn*, 474 U.S. 140, 149–50 (1985). No objection to the M&R having been filed, and the time for doing so having passed, the parties have waived their right to de novo review of any issue covered in the M&R. Nevertheless, the Court has conducted a full review of the M&R and other documents of record and, having done so, finds that the M&R is in accordance with the law, contains no clear error, and should be approved.

IV. CONCLUSION

IT IS, THEREFORE, ORDERED that:

1. The M&R (Doc. No. 58) is **ADOPTED**; and
2. The Motions to Dismiss at Doc. Nos. 30 and 50 are **GRANTED**;
3. The Motion to Dismiss at Doc. No. 27 is **GRANTED in part** and **DENIED in part** as described in the M&R.

Signed: July 24, 2023

Robert J. Conrad, Jr.
United States District Judge
